

# No Secrets, Skin Deep

Your tellin' me that I'm your queen  
That nothing matches me  
You're makin' me feel like a dream  
The way you flatter me  
Are you just another fake  
Or something special?  
(Yeah,yeah,yeah,yeah,yeah,yeah)

You're tellin' me that I'm too cool  
You say I'm beautiful  
I got to tell you I'm no fool  
I'm kinda cynical  
Boy, have you got what it takes?  
Something special  
(Yeah, yeah, yeah, yeah, yeah, yeah)

Don't think this love is

Skin deep  
(Yeah,yeah,yeah)  
I need more than you're givin' me  
Skin deep  
(Yeah,yeah, yeah)  
Get down to the bone  
Heart and soul  
I've got to have it all  
It's got to be special

You sit me on the top of your world  
Can't take your eyes off me  
You say that I'm your candy girl  
Well, that's oh so sweet  
Boy, have you got what it takes  
Something special?  
(Yeah, yeah, yeah,yeah, yeah, yeah,)

Don't think this love is

Skin deep  
(Yeah,yeah,yeah)  
I need more than you're givin' me  
Skin deep  
(Yeah,yeah, yeah)  
Get down to the bone  
Heart and soul  
I've got to have it all  
It's got to be special

(Down, down, take it to the bone)  
Get to the beauty within  
(Down, down, take it to the bone)  
Got to discover me  
(Down, down, take it to the bone)  
Open your mind and come in  
(Down, down, take it to the bone)

Skin deep  
(Yeah,yeah,yeah)  
I need more than you're givin' me  
Skin deep  
(Yeah,yeah, yeah)  
Get down to the bone  
Heart and soul  
I've got to have it all

It's got to be special
