

No Secrets, Whole Again

(first verse)

If you see me walking down the street
Staring at the sky, dragging my two feet
You just pass me by
It still makes me cry
You can make me whole again

If you see me with another man
I'm laughing at him joking
Trying to get by
I won't put you down
'Cause I want you around
You can make me whole again

(chorus)

Looking back on when we first met
I cannot escape and I cannot forget
Baby, you're the one, you still turn me on
You can make me whole again

(second verse)

Time is laying heavy on my heart
Seems I've got too much of it
Since we've been apart
My friends make me smile
If only for a while, you can make me whole again

(chorus)

(third verse)

But now, I'll have to wait
But baby, if you change your mind
Don't be too late
'Cause I just can't go on
It's already been too long
But you can make me whole again

(chorus)

(ohhh....)

(chorus)

Baby, you're the one, you still turn me on
You can make me whole again
