

# No Use For A Name, I'm With You

i'm standing on the bridge  
im waiting in the dark  
i thought that you'd be here by now  
there's nothing but the rain  
no footsteps on the ground  
i'm listening but there's no sound

isn't anyone trying to find me  
won't somebody come take me home

it's a damn cold night  
tryin to figure out this life  
won't you take me by the hand  
take me somewhere new  
i don't know who you are but i  
i'm with you  
i'm with you

i'm looking for a place  
i'm searching for a face  
is anybody here i know

cause nothings going right  
and evrythings a mess  
and no one likes to be alone

isn't anyone tryin to find me  
won't sombody come take me home

it's a damn cold night

tryin to figure out this life  
won't you take me by the hand  
take me somewhere new  
i don't know who you are but i  
i'm with you  
i'm with you

why is everything so confusing  
maybe i'm just out of my mind

yeah yeah yeah yeah yeah yeah yeah yeah yeah

it's a damn cold night  
tryin to figure out this life  
won't you take me by the hand  
take me somewhere new  
i don't know who you are but i  
i'm with you  
i'm with you

take me somewhere new  
i don't know who you are but i  
i'm with you  
i'm with you

take me somewhere new  
i don't know who you are but i  
i'm with you  
i'm with you  
i'm with you
