

# No Use For A Name, Internation You Day

I'm sorry that it took so long  
To write this song  
But I gave up  
You see one million words can't describe  
How it feels  
To know your love

Where did I go wrong  
I should have told you from the start  
That I'm closer then you think  
When we're apart  
Nothing that I've tried  
Is as simple as this line

But without you  
My life is incomplete  
My days are absolutely gray  
And so I'll try  
Let your heart know for sure  
That I have so much more to tell you  
Every single day

I swear I'm giving up my inside  
To the one  
That I adored

I know this world is big enough  
For you and I  
But I'll give you more

I'm coming home today  
To wipe the tears right from your eyes  
I'm totally enamored by your life  
Nothing that I've done  
Has ever been for one

But without you  
My life is incomplete  
My days are absolutely gray  
And so I'll try  
Let your heart know for sure  
That I have so much more to tell you  
Every single day

My life is incomplete  
My days are absolutely gray  
So wake me up  
Before you leave today  
Something I need to say  
Cause they'll be nothing when you're gone
