No Use For A Name, My Happy Ending

Oh oh, oh oh
So much for my happy ending
Oh, oh, oh oh
So much for my happy ending
Oh oh, oh oh
Oh ohh

Let's talk this over
It's not like we're dead
Was it someething I did?
Was it something you said?
Don't leave me hangin'
In a city so dead
Held up so high
On such a breakable thread

Pre-Chorus:
You were all the things I thought I knew
And I thought we could be

Chorus:
You were everything, everything that I wanted
We were meant to be, supposed to be
But we lost it
All of the memories so close to me
Just fade away
All this time you were pretending

So much for my happy ending

You've got your dumb friends
I know what they say
They tell you I'm difficult
But so are they
But they don't know me
Do they even know you?
All the things you hide from me
All the shit that you do

Pre-Chorus

Chorus

It's nice to know that you were there
So thanks for acting like you cared
And making me feel like I was the only one
It's nice to know we had it all
So thanks for watching as I fall
And letting me know we were done

Chorus2x

So much for my happy ending
So much for my happy ending
