

Noa, Worry Doll

lists

i make lists

of all the things that i need to fix

of all the things that I'm not prepared for

of all the many things that i dread

lists

i make lists

of all the things i tried for, but missed

of all the things i gave up, but cared for

of all the words of love left unsaid

dream, without fear

your indian worry doll's here

under god's pillow so small

so that way you wont worry at all

dream, without fear

your indian worry doll's here

under god's pillow so small

so that way you won't have to worry at all

lists

very long

of all the things that I'm doing wrong

of all of the hysteria pending

of all the things I'd love to forget

lists

very deep

of all the time i can't seem to keep

of all the songs that still have no ending

of all the ways to do better yet

dream, without fear

your indian worry doll's here

under god's pillow so small

so that way you won't worry at all

dream, without fear

your indian worry doll's here

under god's pillow so small

so that way you won't have to worry at all
