Noah And The Whale, 5 Years Time

Oh well in five years time we could be walking round a zoo With the sun shining down over me and you And there'll be love in the bodies of the elephants too And I'll put my hands over your eyes, but you'll peep through

And there'll be sun sun all over our bodies And sun sun sun all down our necks And sun sun sun all over our faces And sun sun sun -so what the heck!

Cos I'll be laughing at all your silly little jokes And we'll be laughing about how we used to smoke All those stupid little cigarettes and drink stupid wine Cos it's what we needed to have a good time

And it was fun fun fun when we were drinking It was fun fun fun when we were drunk And it was fun fun fun when we were laughing It was fun fun fun, oh it was fun

Oh well I look at you and say It's the happiest that I've ever been And I'll say I no longer feel I have to be James Dean And she'll say "Yah well I feel all pretty happy too" And I'm always pretty happy when I'm just kicking back with you

And it'll be love love all through our bodies And love love love all through our minds And it be Love love love all over her face And Love love love all over mine

Although maybe all these moments are just in my head I'll be thinking bout them as I'm lying in bed And all that I believe, it might not become true But in my mind I'm havin' a pretty good time with you

In five years time I might not know you In five years time we might not speak In five years time we might not get along In five years time you might just prove me wrong

Oh there'll be love love Wherever you go There'll be love
