

Noah Cyrus, Gallant, Mad at You

mad, mad at you
mad, mad at you
mad, mad at you
mad, mad at you

we need to talk
you just say: I don't want to start a fight"
but the minute gets to my lips
I can feel my tongue is tired
and my eyes start to water but I can't stop you when you lie
baby, e need to talk, cause I think that is time I walk away
before you start calling my name
cause when you start begging me to stay

it's gonna be hard as hell
and baby, you know me well
no matter what you do
I can never be mad at you
and you only love yourself
fore me there's no one else
no matter when you do
I can never be mad
mad, mad at you
mad, mad at you

baby, you're the one who convinced me
to run into your arms
but now, that you got me,
it's easy to want another love
thinking that you'll find a better one
and now sit there waiting until you're done

it's gonna be hard as hell
and baby, you know me well
no matter what you do
I can never be mad at you
and you only love yourself
fore me there's no one else
no matter when you do
I can never be mad
mad, mad at you
mad, mad at you

mad, mad at you
mad, mad at you
mad, mad at you
mad, mad at you

you want me
you need me
and they say it's so east to leave me
you had me right under your skin
but I let you in

it's gonna be hard as hell
and baby, you know me well
no matter what you do
I just can be mad at you
and you only love yourself
fore me there's no one else
no matter when you do
I can never be mad
mad, mad at you
mad, mad at you

mad, mad at you
mad, mad at you
