

# Nobodys, You Make Me Wanna Drink

You make me wanna drink.

Everything you say I do and think.

I'm losing my mind. What's wrong with me?

Why don't you go away and let me be.

You're such a waste of time and I can see that you lie to me and stab me in the back.

That's why I downed a 6-pack.

I wanna drink.

Your bitching and complaining make me think.

My nerves are a wreck. What's wrong with me?

Why don't you go away and let me be.

Cause when you come around I can see that you lie to me and stab me in the back.

That's why I downed a 12-pack.

I wanna drink. (5x)
