

Noe Venable, Ice Dragons

time keeps rushing
whirling dervishing by
can you feel the white furry hooves of time?
catch me catch me
rocketing ever closer
closer to the bright white eye
when I dream I see the world turning oh

do you remember
how we used to breathe and watch it oh
and feel such power and feel such joy
to be ice dragons and to be so free
(awake you lie awake you lie)
to be a dragon and to be so free
(awake you lie awake you lie awake)

who were we back then?
someone got left in the wet black dream pool--
shining tragic in the rhythm of the blackness
as again and again I reach for euphoria potent enough to distract
some things howling like it's trying to drown me
once we were moving too fast to hear it

do you remember
how we used to breathe and watch it oh
and feel such power and feel such joy
to be ice dragons and to be so free
(awake you lie awake you lie)
to be a dragon and to be so free
(awake you lie awake you lie awake)

ice dragons ice dragons
who fly like arrows into the unknown
just show me where to go
steamy mouthed steamy mouthed
ice dragons wind tossed
hoping for a good gust
hoping but love I'm wingsoiled heart sore
wingsoiled heartsore

til I remember
how we used to breathe and watch it oh
and feel such power and feel such joy
to be ice dragons and to be so free
(awake you lie awake you lie)
to be a dragon and to be so free
(awake you lie awake you lie awake)
