

NOFX, Live Your Life

Excuses for our money
Is that religion
One more dollar for
What Jesus has given
Hell is free
But you might have to pay for heaven
One more dollar
Is that religion

Why? Why do you give all your
Money away
What makes you think
That you have to pay
Because if god is there
There's no admission
No need to give
To be forgiven

Live your life with decision
Live your life not religion
