

NOFX, Reagan Sucks

Heard it first from Reagan youth,
Dead Kennedys and D.I. too.
Wanna burn the effigie,
From DRI to MDC.
Guess what nostalgia sucks,
But I miss the days of Reagan punk.
We all shared the same enemy,
From CFA to Shattered Faith.

Heard it first from Reagan youth,
Dead Kennedys and D.I. too.
Wanna burn, the effigie,
From DRI to MDC.
Guess what nostalgia sucks,
But I miss songs about Reagan sucks.
We all shared the same memory,
From DRI to MDC.
