

# NOFX, Whatever Didi Wants

I wouldn't walk 500 miles when I could fly coach but almost anything I wouldn't swim across the Nile cause I could get a malarial disenteria, I would do almost anything for you,

Cause if there's anything you want

I'll probably get it you tell me what you need I'll try not to forget

if you need someone to blame I'll say I said it cause whatever

Didi wants, she's gonna get it I wouldn't climb the highest mountain

could get a blister, but almost anything I wouldn't throw coins

in a fountain It might be needing to make a phone call, I'd call you collect

when ever I could, Cause if there's anything I'll probably get , just tell me

what you need I'll try not forget , if you need someone to blame I'll say

it, Cuz whatever Didi wants I'll probably get it, You are so beautiful, you

are so beautiful to me, we're gonna try to get it right

I doesn't seem like you're a million miles away, no, but maybe

one or two that doesn't mean, I never loved you me love you

long time, when you're on top of me. I love you as much as anyone could.

Cause if there's anything you want

I'll probably get it you tell me what you need I'll try not to forget

if you need someone to blame I'll say I said it cause whatever

Didi wants, she's gonna get it. Whatever Didi wants, she's gonna get. Whatever Didi wants she's gonna

Pick it up, Pick it up!
