

Noise Therapy, Ride

You know me, and I know you too,
Say you're leaving,
But I won't let you,

I don't want to go on without you,
I don't want to go on without you,
I don't want to give up on us now,
I don't want to give up on this now,

We were happy,
We had real good times,
Now you're leaving,
and it kills inside,

I don't want to go on without you,
I don't want to go on without you,
I don't want to give up on us now,
I don't want to give up on this now,

Ride, Ride, Ride x3

I don't want to go on without you,
I don't want to go on without you,
I don't want to give up on us now,
I don't want to give up on this now,
I don't want to go on without you,
I don't want to go on without you,
I don't want to give up on us now,
I don't want to give up on this now,
