

# Nokturnal Mortum, Jesus Blood

(Music: Knjaz Varggoth, Saturious / Lyrics: Knjaz Varggoth)

Stick The Knife Into The crucifixion  
Let The bastard's blood Wash Our Hands  
The heavens Are Crying  
And The Bloody Rain Is Drowning The Earth  
Oh You! The Knjaz Of Forest!  
Oh You! The Great Mother Moon!  
Let This Time Be Yours!  
I'm Merciless!  
We Are Going Into The Midnight  
Our Banners Is Rised High  
The Fire Of Damnation Is Glowing In My Eyes  
With The Blood Of Enemies, My Hatred Is Splashing  
The Teeth Are Gnashing  
Inside My Head The Rage Is Spreading With Pain  
The Rage Unleashed To The bastard  
Let you Die! Let The Worms Eat your name!  
The Cry Of Ravens Is Telling About Death  
The Disgusting Marches Are Under My Feet  
jesus Is The leader Of sick And slaves  
The disease Has To Be Cured!  
Drink The blood of jesus!  
Suck The dick of christ!  
Eat Up your god!  
Fuck his dead flesh!  
The christianity Must Die!  
The jews Are Fled fucking slaves  
Let you Be The Food For My Wolves!  
The bastard's face Is Cut By The Sharp Thorns  
it's Mutilated By his own hypocrisy he's dead!  
he's fucking dead!  
jesus' blood  
jesus' fucking blood
