

# NoMeansNo, Brother Rat

Let's go out and see what we see  
Let's go out and see what we see  
Just you and me  
Just you and me  
And there will be no other brother  
Brother we'll knock back a few  
And talk about life  
We'll knock back a few  
And talk about life and what is right  
And what is right  
We'll talk about life and what is right  
And there will be no other brother, buddy, pal, comrade, friend buddy, pal, comrade, friend  
Until the end  
A shake of the hand,  
A pat on the back  
A shake of the hand,  
A pat on the back  
A knife in the back,  
A knife in the back  
I'll buy you a beer,  
A knife in the back

And there will be no other brother  
We're one in the same, You and me  
We're one in the same, You and me  
We're brothers, Brothers in arms  
We're friends until the end  
We're brothers, brothers in arms  
Until the end your end
