

# NoMeansNo, No Rest for the Wicked

We are you, you are not  
We are you, you are not  
We crawl down, you jump up  
We crawl down, you jump up  
You are not you

I know  
There's no let up  
There's no peace, no rest  
Not for the wicked  
No rest for the wicked

What are thou, thou art not  
What are thou, thou art not  
You climb up, you're dragged up  
You climb up, you're dragged up  
You are not you

I know  
There's no let up  
There's no peace, no rest  
Not for the wicked  
No rest for the wicked
