

NoMeansNo, Stop It

No more. No way.
No more. I say.
You do it. I don't.
You will. I won't.
Stop it!
That's all. The end.
All gone. All spent.
Enough. No more.
Go on? What for?
Stop it!
No more, No use.
No bright excuse.
You do. I don't.
You will. I won't.
Stop it!
No! More!
Yes! Now!
Stop it!
