

# NoMeansNo, Stop It

No more. No way.

No more. I say.

You do it. I don't.

You will. I won't.

Stop it!

That's all. The end.

All gone. All spent.

Enough. No more.

Go on? What for?

Stop it!

No more, No use.

No bright excuse.

You do. I don't.

You will. I won't.

Stop it!

No! More!

Yes! Now!

Stop it!
