

# Nomy, Spank my ass

I could never be alone  
I dont think I'm wrong  
when i laid my eyes on you  
Think you saw it to  
Spank my ass and call me bill  
I dont think you will  
Oh my god I'm soo alone And porn is all I need  
All my friends they call me bob But alone I smoke my weed  
Do you wanna be my friend I can show something cool  
Take your dress of on your knees and scream like a pig you fool  
whip me, spank me tell me what you want me to be  
call me your bitch I'm a psycho but I'm so rich  
I like pain to I can hurt your nipples and it's all for you  
Bring me more pain Wonder why my buddies call me insane  
whip me spank me baby call me charlie
