

# Nonpoint, In The Air Tonight

I can feel it  
Coming in the air tonight  
Oh Lord  
Ive been waiting for this moment  
For all my life  
Oh Lord

Well if you told me you were drowning  
I would not lend a hand  
Ive seen your face before my friend  
But i dont know if you know who i am  
Well i was there and i saw what you did  
I saw it with my own two eyes  
So you can wipe of the grin  
I know where youve been  
Its all been a pack of lies

I can feel it  
Coming in the air tonight  
Oh Lord  
Ive been waiting for this moment  
For all my life  
Oh Lord, Oh Lord

Well i remember  
I remember dont worry  
How could i ever forget  
Its the first time  
The last time  
We ever met  
But i know the reason why you keep me silenced up  
No you dont fool me  
Cause the hurt doesnt show  
But the pain still grows  
Its no stranger to you and me

I can feel it  
Coming in the air tonight  
Oh Lord  
Ive been waiting for this moment  
For all my life  
Oh Lord, Oh Lord
