

# Nonpoint, What A Day

Sittin' on your ass all day thinkin' about your hangover  
and the party you left your fuckin' keys at  
and had to beg for a ride from a stranger that I never met before he acted  
so friendly that I had to take the ride  
but for some reason he resembled that guy wanted for a robbery  
and beatin' on his kid "you remind me of my stepson"; he chuckles with a grin.  
What was that move that they taught in self-defense  
where you block the killer's knife move with some confidence the signal  
when you're trapped inside a moving car I wonder if he'll drive real far.  
What a day, you should've stayed home shootin' the breeze all day,  
you should think next time before you start to play,  
I wonder what will happen today.  
Rub your eyes from no sleep this week tap your heels home then fall asleep.  
Sittin' around looking for a fight kinda' pissed off how I'm turnin'  
My life up-side down from insecure insecurities makin' up  
My mind through old hypocrisy up and out of harms way down  
cause I want to be there here because you want  
Me not because you're caught in My stare.  
What was that move that they taught in self-defense  
where you block the killer's knife move with some confidence the signal  
when you're trapped inside a moving car I wonder if he'll drive real far.  
What a day, you should've stayed home shootin' the breeze all day,  
you should think next time before you start to play,  
I wonder what will happen today.  
Rub your eyes from no sleep this week tap your heels home then fall asleep,  
asleep in bed you'll do something tomorrow instead.
