

# Nora, What I Meant To Say...

I remember everything you said to me,  
I remember every laugh you laughed at me,  
I remember how you used to look at me,  
I remember everything you did to me,  
I remember a decade later,  
my neck still hurts from staring at the floor.  
I always wanted to see myself run in slow motion.  
it's my turn.

what I meant to say.

what I meant to do.

what I meant to say.

what I meant to do... to you.

A decade later, my heart still hurts from staring at the floor.

I always wanted to see myself run in slow motion.

you never let the weak go by.

you never let the small man walk.

I never let that memory go.

I'll remember until the day I die.

I want ten years you took from me.
