

Norbert Legieć, Another High

V1

I can't explain
Your vibe, Its got me
switchin lanes
to find out which one you'll be in
I know its crazy
And gettin late
But you know
you know
I can't wait forever

PRE:

So take my hands
show me what to do with them
Am I your man?
cuz this feels like more than friends
I dont understand it
I dont understand it

the way you bringin me up
baby you my new drug
givin me a head rush

HOOK:

You take me to another high high
And that's alright
You take me to another high
i don't care i don't care cuz this could take all night
And that's alright
You take me to another high
i don't care i don't care cuz this could take all night
and that's al that's alright

V2

Letting out
the problems ive had in my head
i know its crazy
And getting loud
theres so much
so much to forget about
forever

END:

It's hard to help myself
When I'm made for you
And you're made for me
