

# Nordic stars, Tell me why

Tell me why  
Did you have to go away?  
Tell me why  
I still miss you everyday  
Just how could you leave me  
When I was crying in the rain  
Tell me why  
Did you have to go away?  
Why did you leave me?  
Why did you go?  
Never thought I'll miss you so  
Come back and see me  
Turn back the time  
Could I ever make you mine?
