

Norm Rejection, Faceless

Trapped where's the choice?
We got no voice
Strangers we're unknown
Useless feel alone

Jekk ma nqumux
Huma ma jieqfux
Jagħmlu ħniżrijiet
Jgħaffġulna drittijiet

They're pushing our face in
They're pushing it
They're pushing our face in
They're pushing it

Faceless
They wanna make us faceless
Faceless
They wanna make us faceless
