

Norma Jean, All Of Me Belongs To You

All of me belongs to you all the time you're the only one that's ever on my mind
There's no way that I could ever be untrue
There's not one single part of me that don't miss you through and through
Cause all of me belongs to you
My eyes are worthless cause you're not here to see
My lips are so forgotten since you forgotten me
My arms ached from reaching to you the way they do
There's not one single part of me that don't miss you through and through
Cause all of me belongs to you
Fingers claw the darkness in my dreams searching for a love I lost but can't redeem
I'm yours and I can't give my heart to someone new
There's not one single part of me that my heart don't include
Cause all of me belongs to you
(guitar)
Fingers claw the darkness in my dreams...
All of me belongs to you
