

Norma Jean, Don't Come Home A Drinkin'

Well you thought I'd be waitin' up when you came home last night
You'd been out with all the boys and you ended up half tight
But liquor and love that just don't mix leave a bottle or me behind
No don't come home a drinkin' with lovin' on your mind
No don't come home a drinkin' with lovin' on your mind
Stay out there on the town and see what you can find
But if you want that kind of love well you don't need none of mine
No don't come home a drinkin' with lovin' on your mind
(steel)

You never take me anywhere because you're always gone
Many a night I've laid awake and cried here all alone
You come in a kissin' on me it happens every time
No don't come home a drinkin' with lovin' on your mind
No don't come home a drinkin'...
No don't come home a drinkin' with lovin' on your mind
