

Norma Jean, Heaven's Just A Prayer Away

When you're trying to reach heaven talk to Jesus every day
For he knows that you are coming heaven's just a prayer away
If you go to church on Sunday get that long journey and pray
Give your heart and soul to Jesus heaven's just a prayer away
(steel)

You are just a prayer from heaven as you travel life's highway
When you think that you can reach it heaven's just a prayer away
If you go to church...
Heaven's just a prayer away
