

Norma Jean, I'm Gonna Walk And Talk With My Lord

Oh I heard a voice from heaven saying come unto me
And I will make you happy if you just abide with me
So I'm a gonna walk walk and talk with my Lord
I'm gonna walk walk and talk with my Lord
He's a lily of the valley he's bright as morning star
I'm gonna walk walk and talk with my Lord

Yes I am an introduction to the father and the son
And if I stand upon his promise soon I'll hear him say well done
So I'm a gonna walk walk and talk with my Lord
I'm gonna walk walk and talk with my Lord
For he rolled away my burdens put in my heart a song
I'm gonna walk walk and talk with my Lord
(guitar)
Well I may be with tribulation any burden with the stress
But when my toilin' here is over I know he'll give me peace and rest
So I'm a gonna walk walk...
