

Norma Jean, It's Not Love (But It's Not Bad)

He was always there each time I needed you holding on to me like I held on to you
We still don't have what you and I once had no it's not love but it's not bad

No it's not love not like ours was it's not love but it keeps love from drivin' me mad
And I don't have to wonder who he's had no it's not love but it's not bad

(steel)

I turn to him when you leave me alone

Sometimes even when you're here and you're still gone

He's slowly changing what you leave so sad no it's not love but it's not bad

No it's not love not like ours was...

No it's not love but it's not bad
