

Norma Jean, It Wasn't God Who Made Honky To

As I sit here tonight the jukebox's playing the song about the wild side of life
As I listen to the words you are saying it brings mem'ries when I was a trustin' wife
It wasn't God who made honky tonk angels as you said in the words of your song
Too many times married men think they're still single
That has caused many a good girl to go wrong
(dobro - fiddle)
It's a shame that all the blame is on us women
It's not true that only you men feel the same
From the start most every heart that's ever broken
Was because there always was a man to blame
It wasn't God who made...
