Norma Jean, Just Treat Me Kind

You think you've got it made cause you're with me tonight And you think I'll be easy by the way I hold you tight Take my advice and don't scold me and you might make sometime I'm a fool for any man who will just treat me kind I'm just reaching for affection that I can't find at home I'm gettin' even for the bad times the long nights alone I know that you don't love me but that won't change my mind I'm a fool for any man who will just treat me kind [steel] I'm just reaching for affection...
I'm a fool for any man who will just treat me kind
