

Norma Jean, Making Believe

Making believe that you still love me it's leaving me alone and so blue
I'll always dream still I'll never own you making believe it's all I can do
Can't hold you close darling when you're not with me
You're somebody's love you'll never be mine
Making believe I'll spend my lifetime lovin' you just making believe
(steel)
Making believe that I never lost you but my happy hours I'll find are so few
My plans for the future will never come true making believe what else can I do
Can't hold you close...
