

Norma Jean, You Lay So Easy On My Mind

You lay so easy on my mind oh so easy on my mind
Whenever I need you all I have to do is close my eyes
You lay so easy on my mind yes so easy on my mind
Wrap me in your warmness and let me feel your body touchin' mine

Everything you say and do finds me wanting more of you
Each moment brings to life a million dreams
Heaven's something yes it's something I can feel when I feel your touch all over me
You lay so easy on my mind oh so easy on my mind
There's not a part of me that your sweet love don't reach to satisfy
(steel)
Every day I need you more you're the one I'm living for
And the best you'll ever give you've given me
You completely satisfy every need I have inside
I pray you'll never take your love from me
You lay so easy on my mind oh so easy on my mind
There's not a part of me that your sweet love don't reach to satisfy
There's not a part of me that your sweet love don't reach to satisfy
