

Norther, C.U.S.

See you it's time to go
Good day to die, time to say no
Fuck you, it's time to go
And arrange one hell of a show
See you, you'll hear me say
My gun today will stop the play
Fuck you, it's the only way
I've seen the road, No I won't stay

See you suckers
Fuck you fuckers

See you it's time to go
My time is up, don't you know
Fuck you, it's time to go
I'll give you one hell of a show
