

Norther, Dream (P.Lindroos)

I saw a dream that can't be real
It takes me to my mind
Now look inside this evil dream of mine
I left you dying in the rain
Now you feel my fucking pain
You know I am insane
but in the end it's all the same

--chorus--

In this dream I am only real
Take my hand and fly with me
again tonight
Far away in the shining moonlight
we are forever and
together we will die

--chorus--

Now you are dead and gone
I won't cry no more for you
I don't know why I'm going on
Now I am turning back for you
you are dead, it's all so true
After all this dream was real
now it's only pain I feel
