

Notre Dame De Paris, Vivre (English Version)

A million stars light
this beautiful night.
This is not a night to die,
let me sing and dance beneath the sky.
I have such love to give,
to give.
I want a chance to live.

Live for the one I love.
Love as noone has loved.
Give, asking nothing in return.

Free,
free to find my way,
free to have my say,
free to seize the day.

Be
like I used to be;
like a wild bird, free,
full of life in me.

Though this world tears us apart
we're still together in my heart.
I want the world to hear my cry,
and even if I have to die
love will not die;
Love will change the world!

Live for the one I love.
Love as noone has loved.
Give, asking nothing in return.
I'll love until love wears me away.
I'll die, but I know my love will stay.
But I know my love will stay.
