

# Nouvelle Vague, I Melt With You

Moving forward using all my breath  
Making love to you was never second best  
I saw the world thrashing all around your face  
Never really knowing it was always mesh and lace

I'll stop the world and melt with you  
You've seen the difference and it's getting better all the time  
There's nothing you and I won't do  
I'll stop the world and melt with you

Dream of better lives the kind which never hate  
Dropped in the state of imaginary grace  
I made a pilgrimage to save this humans race  
Yes I did  
What I'm comprehending a race that long gone bye

I'll stop the world and melt with you  
You've seen the difference and it's getting better all the time  
There's nothing you and I won't do  
I'll stop the world and melt with you

The future's open wide  
I'll stop the world and melt with you  
You've seen the difference and it's getting better all the time  
There's nothing you and I won't do  
I'll stop the world and melt with you, yeah  
I'll stop the world and melt with you  
I'll stop the world and melt with you, yeah, yeah
