

# Nouvelle Vague, Marian

(feat. Alex)

(The Sisters of Mercy)

In a sea of faces, in a sea of doubt  
In this cruel place your voice above the maelstrom  
In the wake of this ship of fools I'm falling further down  
If you can see me, Marian, reach out and take me home.....

I hear you calling Marian  
Across the water  
Across the wave  
I hear you calling Marian  
Can you hear me calling you to  
Save me, save me, save me from the grave...

There's a weight above me  
And the pressure is all too strong  
To breathe deep, breathe long and hard  
To take the water down and go to sleep  
To sink still further beneath the fatal wave  
Marian I think I'm drowning  
This sea is killing me

I hear you calling Marian  
Across the water  
Across the wave  
I hear you calling Marian  
Can you hear me calling you to  
Save me, save me, save me from the grave...
