Nouvelle Vague, Pride In The Name Of Love

One man come in the name of love One man come and go One come he to justify One man to overthrow

In the name of love What more in the name of love In the name of love What more in the name of love

One man caught on a barbed wire fence One man he resist One man washed on an empty beach. One man betrayed with a kiss

In the name of love What more in the name of love In the name of love What more in the name of love

(nobody like you...)

Early morning, April 4
Shot rings out in the Memphis sky
Free at last, they took your life
They could not take your pride

In the name of love
What more in the name of love
In the name of love
What more in the name of love
In the name of love
What more in the name of love...
