

# Novalis Deux, Sleeping Violin

Don't break break, don't break break, break the silence  
Don't be afraid I am here by your side  
Don't break break, don't break break, break the silence  
Sleep calm my child, don't be afraid to close your eyes

And you listen to god  
Don't break little heart  
You listen to god

Don't break break, don't break break, break the silence  
Breath slowly, it is gone with the night

And you listen to god  
Don't break little heart  
You listen to god
