Novaspace, Wicked Game

The world was on fire, no one could save me but you Strange what desire will make foolish people do I never dreamed that I'd meet somebody like you And I never dreamed that I'd lose somebody like you

No I don't want to fall in love No I don't want to fall in love With you

No I don't wanna fall in love This world is only gonna break your heart No I don't want to fall in love This world is only gonna break your heart With you, with you, with you With you, with you, with you

What a wicked game to play To make me feel this way What a wicked thing to do To let me dream of you What a wicked thing to say You never felt this way What a wicked thing to do To make me dream of you

And I don't wanna fall in love
This world is only gonna break your heart
No I don't want to fall in love
This world is only gonna break your heart
With you, with you, with you
With you, with you, with you

World was on fire, no one could save me but you It's strange what desire will make foolish people do I never dreamed that I'd love somebody like you I never dreamed that I'd lose somebody like you

No I don't wanna fall in love
This world is only gonna break your heart
No I don't wanna fall in love
This world is only gonna break your heart
With you
This world is only gonna break your heart
With you
This world is only gonna break your heart
No I...
This world is only gonna break your heart
This world is only gonna break your heart
Nobody loves no one
