

NRG, Burning Desire

Like a greedy man
I'm coming back to you
It's time to play the game
I can't stay without you
I wanna get you, baby
I'm gonna take your love
Cos I need it
Let me be your man
Let me kiss you, yeah
I need to touch you
Body's gonna be alright
I want you tonight, baby
I wanna get your love
To make love
Now I wanna be close to you
I wanna see your body move
Don't take the wax
Can you make me hot tonight
I'm like a bug, I'm busting out
It's a burning desire (it's burnin' me)
It takes my heart and my soul (whoa whoa)
Because you're just like a fire
I'm going out of control
And it drives me crazy
It's a burning desire (it's burnin' me)
It takes my heart and my soul (whoa whoa)
Because you're just like a fire
I'm going out...
And getting crazy for you
I want you, baby
