Feel my everything

If I'm with you.

Your appearance like the ocean's fragrance and the beautiful shining sunlight.

I want to hold only you. I want to love you. My everlasting one love.

The morning sunlight comes down and wakes my worn out eyes.

When I push out my arm with all I have I feel you who's like an angel.

A fragrant coffee aroma. When I wake you who was sleeping like a movie you, who is my only in this world, smiles as if you were sleeping.

You are the sweetest thing that happened.

My serious love you are the sweetest thing that happened.

Do you know of my heart that is for you?

On days like should I go to the ocean that you wanted to see so much?

I'm for real you who is filled with so much laughter. When the

sweet ocean scent looks at us. Oh stop baby woo~ ah

I'm going to you should you everything no matter where it is in the world, with you.

You are the sweetest thing that happened.

My serious love you are the sweetest thing that happened.

Do you know that I'm becoming more like you?

I'll swear to you who was sent to me from about and is so special to me.

Yes forever I'll love you to the end always like now.

You are the sweetest thing that happened.

My serious love you are the sweetest thing that happened.

Do you know of my heart that is for you?
