

NRG, Referral

Yes the NRG to the song, come together as one, look at one another
Sing with passion, dance with more excitement
Come together as one and look at one another
Double click, were opening and really flying
Dont forget, everyone knows, they cant live without us
You fall into it the more you know it, like a referral
Youre addicted after one taste, ok this is good enough
Were going to see how many days it takes
Youll only know this song, Ill do it
Now the day has come, in front of all these people
NRG we have returned
Everybody in the saturday night, youve been waiting for this
As much as today is special for me, it will be with you forever
Eeyaheeyahee
Have fun with me, say goodbye to sadness
Na na na na na na na na na
Na na na na na na na na na
Yes the NRG to the song, come together as one, look at one another
Sing with passion, dance with more excitement
Come together as one and look at one another
Everyone awaiting what it will be like today
Its time to meet us, its your chance
When everyone meets us, its out job to entertain them
Loodoo loo doo we whistle a song
Do you receive this feeling as a salesman?
Were going to be thankful
Were usually a step ahead
Here and there, weve turned round and round
NRG we have returned
Everybody in the saturday night, youve been waiting for this
As much as today is special for me, it will be with you forever
Eeyaheeyahee
Have fun with me, say goodbye to sadness
Na na na na na na na na na
Na na na na na na na na na
Yes the NRG to the song, come together as one, look at one another
Sing with passion, dance with more excitement
Come together as one and look at one another
