

NRG, Take Away

How did you love
Isnt it tiring to keep crying oh
While consoling you
I feel like Im going to go crazy
say that to me
A person better than me
I thought there would be a lot
But while being with you
Ive seen nothing but tears ye
Listen to me
Rather just break up with him babe
Rather just dump him no no
Youre too good for him
He doesnt have the right to love you
Till now youre inside his memories
And that makes me mad
The bright smile you had
Have to find it again ye ye ye
Now I can no longer
Let him have you
Oh girl ye
Dont have any lingering thoughts
Its not even worth regretting ye ye ye
Listen to me
Rather just break up with him babe
Rather just dump him no no
Youre too good for him
He doesnt have the right to love you
Listen girl
Ive been watching you for a long time
Now I finally know that
Anyone in the this world
Cant love you as much as I can
ye ye ye ye
Rather just break up with him babe
Rather just dump him no no
Youre too good for him
He doesnt have the right to love you
Come on girl Listen to me
Rather just break up with him babe
Rather just dump him no no
Youre too good for him
He doesnt have the right to love you
