

# Nuclear Assault, Trail Of Tears

Another day has passed you by,  
And now it seems that you don't care.  
You've let your life slip away,  
You feel no pain, you feel no joy.  
You've let your feelings fade away,  
You've let life tear apart your soul.

Feel... ...no pain!  
Feel... ...no pain!

You must wake up and perceive,  
That you are not a victim here.  
You're a traveller through this life,  
No one persecuted you.  
You've brought it down upon yourself,  
And now you're standing on the edge.

Feel... ...no pain!  
Feel... ...no pain!

Take a look at where you are,  
And then look back to what you were.  
And think of how you got there,  
Work at repairing your life,  
You can't just throw it all away,  
You've got to stick it to the end.

Feel... ...no pain!  
Feel... ...no pain!
