

Number One Fan, Come On

The symphony in your head,
The kind of things I wish that were never said,
Cos I had no idea.
Break my heart another day.
You lost what you wanted,
Did you want it this way?
Cos I had no idea.

Come on, come on, come on,
I thought we were just having fun.
Come on, come on, come on,
It's all in your mind, she said.
Come on, come on, come on,
Don't be afraid of it, falling in love.
Come on, come on, come on.

A broken heart, what's the matter?
You knew it was coming,
But boy, it didnt change a thing,
Cos I had no idea.
Let it get to you on the way back.
Summertime love was the only thing we could have,
Cos I had no idea.

Come on, come on, come on,
I thought we were just having fun.
Come on, come on, come on,
It's all in your mind, she said.
Come on, come on, come on,
Don't be afraid of it, falling in love.
Come on, come on, come on.

Do what you want if it's on your way back down.
Do what you want if it's on your way back home.

Come on, come on, come on,
I thought we were just having fun.
Come on, come on, come on,
Isn't this fun?

Come on, come on, come on,
Dont be afraid of it, falling in love.
Come on, come on, come on.

Come on, come on, come on,
Come on, come on, come on.
