

# Numic, Thrown Away

one said one believed  
while they warred peacefully inside  
what is this amount you need?  
what is this inside that we don't see?

(chorus) - I've come so let's start the bidding  
does what I say feel so comforting?  
I've come so let's start the bidding  
take my hand and promise this land to me and  
I'm thrown away

what's said it feeds file out and ration what you need  
what is this amount you need?  
what is this inside that we don't see?

(chorus)

wake up and see the fall  
wake up and see  
wake up and see the fall  
wake up and I won't make a sound
